

The San Diego Union-Tribune

Dear CaregiverSD Expo guests,

Due to the recent developments regarding COVID-19 (coronavirus) in San Diego County and guidance from local public health agencies, we have made the difficult decision to postpone our CaregiverSD Expo, originally planned for Saturday, March 21.

Despite the pre-event and onsite precaution plans taken by The San Diego Union-Tribune and Paradise Point Resort & Spa teams, we believe this is the right course of action since a majority of the attendees fall into a high-risk group, according to the Center for Disease Control and Prevention (CDC). The CDC advises that older adults and those with compromised immune systems are at a higher risk for serious illness from COVID-19. Additional information can be found [here](#). The health and safety of our participants and guests are of the utmost importance at all our events.

We plan to explore options to reschedule the event to September and will share information as soon as they are available. We sincerely thank you for your patience.

Please do not hesitate to contact us at events@sduniontribune.com if you have any questions or concerns in the meantime.

Sincerely,
Fiona Leung
