

The San Diego Union-Tribune

Dear Balance guest,

Due to the recent developments regarding COVID-19 (coronavirus) in San Diego County and guidance from local public health agencies, we have made the difficult decision to cancel Balance, originally planned for Sunday, April 26.

Our team will refund all tickets this week. The refund confirmation email will come from Eventbrite. Please let us know if you don't receive it. We sincerely thank you for your patience.

Please do not hesitate to contact us at events@sduniontribune.com if you have any questions or concerns.

Sincerely,

Fiona Leung
Director of Events
